Subject: ACTION: Review IAG draft text for West Lake Update

Provided below is draft text for the next West Lake Update on the new IAG with the USACE. Please review and insert details in yellow just this text for now. The entire WL Update will come in the next day or two for your review. Once you review this text we will get Karl's approval.

"EPA Region 7 has entered into its second Inter-Agency Agreement with the United States Army Corps of Engineers. This second agreement establishes USACE's role to perform project planning and support, technical review, and community relations at the West Lake Landfill Superfund site Operable Area 1 [INSERT WHAT PROJECT THIS IAG WILL COVER, e.g. design and construction of the IB or the final ROD. The entire Inter-Agency Agreement can be found at the following link: [OPA to INSERT LINK TO IAG document]."
